## **AUSTRALIAN DEFENCE FORCE TRAINING IN THE EXMOUTH REGION**

Australian Defence Force personnel will be conducting live fire and explosive ordnance military training in the Learmonth Air Weapons Range, Exmouth from **5 - 15 April 2025**.

During this period, you are likely to hear and see military vehicles and aircraft, as well as military personnel carrying weapons and using live and blank ammunition.

**You should not be alarmed, as this is part of routine Defence training.**

The Australian Defence Force is working closely with the Western Australia Government, Shire of Exmouth, Western Australia Police Force and other emergency services as part of this military training activity.

We thank you for support and your understanding that Defence needs to restrict access to Learmonth Air Weapons Range for the safety of all involved whilst these activities are underway.

**For all enquiries regarding access to the Cape Range National Park, please contact the Exmouth DBCA office.**
