

Shire of Exmouth PUBLIC NOTICE

20 October 2019

INVITATION – COMMUNITY WASTE WORKING GROUP

The Shire of Exmouth would like to embark on an exciting journey: To explore and implement sustainable waste management practices into our community.

To help us achieve this, we would like to create a **Community Waste Working Group** to capture and guide the ideas that the residents of Exmouth may have. Participants will have the opportunity to share their idea and provide input into the Shire of Exmouth's waste strategy development process.

First Meeting: Thursday, 5th of December - 5.30 PM

Venue: Ningaloo Centre, Bundegi Board Room

Please RSVP until Monday, 2nd of December 2019 to mrichardson@exmouth.wa.gov.au.

During this initial meeting, we would like to agree to realistic goals of the waste working group and its terms of reference as well as how frequently we meet.

We are also hoping the meeting will provide feedback to the community's waste management expectations and an opportunity to inform the group of previous research undertaken by the Shire of Exmouth.

We're looking forward to the opportunity of working together with you.

Cameron Woods,
Chief Executive Officer
