## Community Grants Program Workshop

It was great to see 26 members of the community come along to the information session on the Shire of Exmouth’s Community Grants Program that was held on the evening of 10 February.

Matt Bird, Executive Manager Commercial and Community, spoke about the three grants program which the Shire of Exmouth provides for community groups.

## Sports Breakfast Information Session on the Good Sports Program and CSRFF Grants

10 representatives of sporting associations attended a sports breakfast information session on 12 February in the Ningaloo Centre to hear about two programs of interest to the sporting community.

Brendan Cullinan, Regional Community Development Manager for the Alcohol and Drug Foundation, spoke about the Good Sports Program and specifically issues relating to alcohol within the sports environment.

Rod McGrath, Manager Community, Sport & Recreation on behalf of the Shire of Exmouth, spoke about the various Community Sporting and Recreation Facilities Fund grants programs which are provided by the WA Department of Local Government, Sport and Cultural Industries.

## Community Group/Club Details

The Shire of Exmouth is presently seeking community groups and sporting clubs to provide their organisational details so that this information can be placed on the Shire’s website and also in an annual booklet. Therefore, we would like to make sure that we have accurate information for all community organisations and sporting clubs within the Shire.

Details about your organisation can be updated at the following website link:

## Exmouth Alcohol and Other Drug Management Plan (EAODMP) Committee

13 persons attended a meeting of the EAODMP Committee here in Exmouth on 11 February. This meeting involved representatives of both the Exmouth community and Perth-based staff from the Mental Health Commission, Local Drug Action Groups Inc and the Alcohol and Drug Foundation. The Exmouth Alcohol and Other Drug Management Plan seeks to reduce and prevent the impact of alcohol and other drug related harm and associated problems.
