## The Golden Feather Hunt

**Scribblers Festival** celebrates creativity, literacy and the special place that local libraries hold in the hearts of children and parents. Over the years, with the help of our librarian superheroes, we have hidden over 25,000 feather bookmarks in childrens and young adult books across Western Australia.

The 2021 Golden Feather Hunt will launch in **March 2021**, running through to the 2021 Scribblers Festival in May. During this time, thousands of feather bookmarks will be hidden throughout books in WA Public Libraries, **including Exmouth.**

**During this time we'll be hiding thousands of feather bookmarks all through WA Public Libraries:**

- **15,000 Plain Feathers** ready for decorating and the chance to win a Spot Prize
- **20 Silver Feathers** fetching a Book Prize
- **5 Golden Feathers** winning a VIP Scribblers Festival experience, an ipad and more
- And a special **Coloured Feather** (still to be announced) that will be found **at each and every participating library** for a book prize!

## BOOK REVIEW

### The Other Bennet Sister

by Janice Hadlow

In Jane Austen's *Pride and Prejudice*, Mary is the middle of the five Bennet girls and the plainest of them all, so what hope does she have?

An introvert in a family of extroverts; a constant disappointment to her mother; fearful of her father's sharp tongue; with little in common with her siblings - is it any wonder she turns to books for both company and guidance?

*The Other Bennet Sister*, though, shows another side to Mary.

Simultaneously, a wonderfully warm homage to Jane Austen and a delightful new story in its own right. *The Other Bennet Sister* is at its heart a life affirming tale of a young woman finding her place in the world. Witty and uplifting, it will make you feel - and cheer - for Mary as you never have before.

*The Other Bennet Sister* is available on Borrowbox either in ebook or audiobook format with no reserves needed throughout the month of March. A hardcopy is available at the library.
