## **ALLSTON, Darlene**

A local resident for 10 years, I have come to love our precious town for all it has to offer locals and tourists. As a resident and small business owner, I have had the opportunity to embrace the lifestyle and experience the challenges and rewards of being an owner operated local business.

I value and grasp the hard-work and dedication it takes to run a small business and understand the daily challenges of living and working in a remote area. My career of over 25 years, has a strong corporate background, with the focus in food journalism, which I believe has given me valuable tools to be an asset to our community.

Nurturing our environment, is the key to longevity for our town, our businesses and maintaining a valuable tourist industry to employ our local families now and into the future.
