## SHALES, Turk

I still find myself extremely passionate about the town, its people and its future. A councillor for 8 years and Shire President for 6 years and on the board of the Gascoyne Development Commission I feel I would be a great asset and look forward to working with the people again.

Past projects include The Ningaloo Centre, CBD upgrade, Water Spray Park, Federation Park, Tantabiddi Boat Ramp, Reid St Realignment.

The issues important to me include the Deep- Water Port, the housing shortage, facilities and future planning to support the ever- growing tourist industry, more Solar opportunities and further developing local businesses towards self sustainability.

I will seek economic development opportunities support growth and stability but also protect our sensitive environment .
